Lee Sheriff Mike Scott – A terrorist's best friend

"Hello Scott, It's almost time for you to die.

Did you think that I would let you get away with your bullshit and your lawsuits?

… Enjoy your last few days on earth.

I'll be there real soon. Officer Pillar"

This threat is the first in a series of seven death threat letters received by Scott Huminski of Bonita Springs, FL. A month after the issuance of the threat the alleged author, Trevor Nelson of Glendale AZ admitted he blamed Huminski for the suicide of his father, Justin M. Nelson, who hanged himself at the age of 36 after a long battle with serious mental health issues.

Nelson's admission creates a massive motive behind the death threats and planned murder. Trevor Nelson is believed to have terrorist ties that have assisted him in a campaign of terror that spanned the country from California to Florida.

Lee County Sheriff Mike Scott has applauded and encouraged the alleged conspiracy to commit murder and acts of terror by Trevor Nelson.

The truth is that Nelson's father engaged in sexual assault of Trevor Nelson and posted photos of his son's genitals on the internet , which indeed led to the suicide along with severe mental health issues.

Like his deceased father, Justin M. Nelson, Trevor Nelson is allegedly criminally insane and allegedly does indeed intend to murder Huminski as quoted above. In subsequent death threat letters details of the proposed murder were revealed. Sheriff Mike Scott is clueless.
