#### Historial Laboral de Yamileth Lara (Mila)

Alrededor del 20 de septiembre de 2023, en algún momento de la tarde, recibí una llamada telefónica del supervisor del departamento de contratación del Crocks Hotel Casino quien me preguntó si podía proporcionarle a Yamileth Lara (Mila) , también conocida como el historial laboral de Mila (sobre nombre) , en este momento después de descubrir la conducta poco ética y poco profesional de Yamileth Lara (Mila) en el hotel Ocean Beach Jaco después de Yamileth Lara (Mila) de repente, sospechosamente, se fue inmediatamente sin completar ni terminar el trabajo en la computadora de la recepción del hotel en el que Yamileth Lara (Mila) dijo que tenía experiencia. Descubrimos que Yamileth Lara (Mila) mintió y se tergiversó en su anuncio público de la lista de creencias sobre la experiencia que tuvo en la recepción del hotel.

Mila también estaba trabajando en la traducción de documentos legales en inglés y español. Le dije a Mila que tenía una fecha límite que cumplir y que este trabajo debía completarse lo antes posible. Mila me aseguró que no me preocupara porque lo terminaría antes del tiempo requerido y nunca lo hizo.

Se descubrió que el trabajo nunca se completó. También le había informado a Mila que la computadora de la oficina es solo para el hotel Ocean Beach Jaco y NO debe usarse para ningún tipo de negocio personal. Uno de los empleados del personal de testigos descubrió que Yamileth Lara (Mila) colocó su propia computadora personal. La página de Facebook

de mi computadora interfirió con la computadora de Hotel Business y también descubrimos que faltaba información importante en los registros de la computadora.

También le aconsejé a Mila que se asegurara de que me proporcionara la contraseña correcta para mi computadora de Hotel Business. A partir de este día no hemos podido acceder a la computadora. Intenté comunicarme con Mila sobre esto y el trabajo de traducción del documento sin terminar. A partir de este día, Mila nunca me respondió, dejándome incapaz de operar y administrar el negocio hotelero o de poder acceder a la computadora comercial del hotel.

También intenté comunicarme con Yamileth Lara (Mila) sobre el trabajo de traducción de documentos legales incompletos que es muy importante y nuevamente no pudo terminar el trabajo que dijo que completaría solo para causar más pérdidas financieras al Ocean Beach Jaco Hotel,

Cuando Yamileth Lara (Mila) comenzó a trabajar aquí, también me dijo que no se sentía bien debido a problemas de espalda. Le dije a Mila que, si no podía trabajar aquí, tal vez sería mejor irse y no trabajar aquí. Mila insistió en que todavía quería ayudar sinceramente. Yo y trabajo aquí y le creí y le aconsejé a Mila que si quería podía buscar otro empleado para hacer el trabajo que ella no puede hacer. Mila encontró otro empleado llamado Roccio que vino a trabajar durante aproximadamente dos semanas. Como cómplice para estafarme. Además de más fondos del negocio hotelero, le dije a Mila que era su responsabilidad asegurarse de que Roccio hiciera el trabajo correctamente y de registrar la entrada y la salida todos los días, de esta manera podemos realizar un seguimiento de las horas trabajadas que trabajó Roccio cuando revisé el libro de trabajo registrado. horas Me di cuenta de que Mila le estaba permitiendo a Roccio trabajar más horas de las necesarias y no completaba el trabajo y solo causaba más pérdidas financieras al Ocean Beach Jaco Hotel.

Durante este tiempo, un día Yamileth Lara (Mila) se me acercó y me preguntó si podía hablar conmigo y me dijo que quería abandonar debido al dolor de espalda que estaba experimentando. Inmediatamente me preocupé por esto y le dije a Mila que necesitaba ayuda para su problema de adicción a las drogas lo antes posible. Mila también me dijo que había sido adicta a los analgésicos durante más de cinco años y me había dicho que había

contemplado la posibilidad de hacerlo. suicidándose en varias ocasiones. Me di cuenta de que Mila se encuentra en una situación grave, insalubre y peligrosa para ella y los demás.

El 5 de octubre de 2023, fui personalmente al Crocks Hotel and Casino para hacerle un control de bienestar a Mila. Cuando fui allí, noté que Mila estaba parada, caminando y hablando sonriendo sin problemas junto a su supervisora del Crocks Hotel, me dijo Mila en presencia de Crocks. Hotel Supervisor que estaba 100 por ciento mejor y que todo el dolor de espalda desapareció y que ya no era adicta a los analgésicos y que se sentía genial. Fue en ese momento que me di cuenta de que Mila me había engañado, se tergiversó y nos estafó a mí y a mi hotel. En el negocio de los fondos que se necesitaban para operar y administrar el negocio hotelero, también se descubrió que el cómplice Roccio, que Mila contrató para ayudarla, nunca limpió adecuadamente las habitaciones del hotel, lo que provocó que el negocio hotelero perdiera más dinero para pagar los salarios por el trabajo incompleto. Casino en el hotel para perder más dinero.

Yamileth Lara (Mila) también preguntó si podía usar las habitaciones del hotel para dormir aquí. Le aconsejé a Mila que, si iba a usar las habitaciones del hotel para ella misma, por favor asegúrese de limpiar lo que ensucié. Se descubrió después de que Mila dejó dos de las habitaciones del hotel que usaba. quedó con sábanas sucias y en condiciones insalubres para uso de los huéspedes del hotel.

En otra ocasión documentada, Mila fue sorprendida durmiendo en la recepción del hotel sin hacer el trabajo informático requerido por el que le pagaban. Para completar antes de la fecha límite para enviar por correo y enviar los documentos legales para su entrega. Lo cual era una prueba judicial documentada importante que necesitaba ser enviado por correo lo antes posible.

Después de comunicarme con mi abogado, me aconsejaron que denunciara de inmediato los delitos poco éticos y poco profesionales de estafa y robo de fondos que Mila cometió contra el Ocean Beach Jaco Hotel. Mila personalmente causó numerosas pérdidas financieras documentadas al negocio hotelero, dejándome en una situación desesperada y con un trabajo incompleto que Mila dijo que él terminaría y completaría antes de que ella comenzara su nuevo trabajo en Crocks Hotel and Casino después de que Mila dejara todas sus tergiversaciones poco éticas y poco profesionales. y robo de fondos, delitos que Mila cometió

intencionalmente contra mí y el Ocean Beach Jaco Hotel. Me vi obligado a cerrar el hotel. Debido a personas como Mila, se ha vuelto cada vez más difícil encontrar empleados honestos para el negocio hotelero en Costa Rica.

Respetuosamente estoy proporcionando este aviso de historial laboral documentado al supervisor de Crocks Hotel and Casino, quien solicitó que el historial laboral de Mila actualice el historial laboral de Yamileth Lara (Mila) con la información actualizada correcta y que siempre tenga cuidado al contratar empleados, son empleados como Mila los que pueden causar pérdidas financieras graves. al negocio hotelero en Costa Rica. Como ella lo hizo conmigo.

  
Respetuosamente, Gerente del Hotel Enzo Vincenzi

Dear Humane Rights Investigation Department  
Avenida 10, Calles 45 y 47  
Los Yoses, San Pedro, San  
Jose, Costa Rica.

On four separate documented occasions I have diligently requested and by certified registered return signed mail demanded and required that co-conspirator attorney Yorleni Diaz to provide me a detailed and itemized account statements for all of her documented legal services related to the transactions and real estate closings for the purchases of the Hotel Business and Real Estate Home purchase related to transactions and Real Estate Closings and Real Estate Corporations that co conspirator attorney Yorleni Diaz opened in the Costa Rica National register Real Estate public records I have requested copies of all my Real Estate documents associated with properties purchased through attorney Yorleni Diaz has consistently failed and deliberately refused to comply with my documented requests, thereby refusing to provide my valuable real estate records related to our property acquisitions.

It is essential to highlight that I have experienced numerous well documented incidents of blatant human rights discrimination and hate crimes unlawful perpetrated against me in the offices of the Costa Rica Supreme Court. These unlawful actions have been carried out a gang of group of individuals such as Myra Villalobos Chacon and co-conspirator attorney Gabriela Monica Sanchez Valverde. Not only did they misappropriate my financial resources, but they also left me without legal counsel in the Costa Rica Supreme Court in times of need. The unlawful situation has led to severe emotional tortuous psychological severe pain and suffering.

The United States American investors who contributed significantly enormous amounts to the financing of the Real Estate purchase of Hotel Business and Real Estate Home for the acquisitions of Hotels and residential properties in Costa Rica, have expressed serious concerns about the unlawful inhumane discriminatory practices and hate crimes that I have endured.

In response to these unlawful injustices. I filed a criminal complaint with President Rodrigo Chavaz and the Costa Rica United States of America Embassy Department. They both advised me to present the unlawful documented crimes to the OIJ, the Jaco Police Department and the Costa Rica attorney Bar Association, President Rodrigo Chavez categorically denounced the unlawful activities and urged me to take legal actions. However when I reported the unlawful crimes to the OIJ department in Jaco Garbito Prosecutor NORMA CAYASO subjected me to unlawful dehumanizing discrimination human rights crimes and inadequate treatment.

I diligently informed Prosecutor NORMA CAYASO about the Documented Public Notice I received from President Rodrigo Chavaz, advising me to report the unlawful documented crimes with all the evidence from the Costa Rica Supreme Court and a documented recorded criminal complaint filed in the Costa Rica Public Records by President Rodrigo Chavazs office.

However Prosecutor NORMA CAYASO stated to me "The Notice from President Rodrigo Chavaz is NOT IMPORTANT TO ME" and that the documented and recorded notification from President Rodrigo Chavaz was "insignificant" and unlawfully dismissed its relevance, citing a publicly documented murder of attorney Jose Cauldron as justification for not pursuing my case in the presence of witness's Prosecutor NORMA CAYASO stated to me that "because attorney Jose Cauldron was MURDERED I have no case" and rendered my case of the public News Media documented murder of attorney Jose Cauldron found dead in the trunk of his car

naked with no clothes on with 3 bullet holes in his body dripping with blood onto the pavement ground seen by neighbors who notified the police invalid.

Prosecutor NORMA CAYASO's inhumane unlawful discriminatory actions have caused considerable torturous intentional infliction of severe emotional distress and considerable financial losses affecting both my Hotel Business and the United States of America investors who provided loans and invested their money to buy these Real Estate Properties in Costa Rica.

Accordingly I followed the advise provided by the Costa Rica United States American Embassy and filed a full criminal complaint with the Costa Rica attorney bar association. This presentation included an abundance of evidence, consisting of documented public court records, news media reports and police documentation from the Jaco Police department exactly were Prosecutor NORMA CAYASO works and scene of the crimes all presented in Spanish. In response. I received communication e mail from Prosecutor FISCAL LIC CARLOS VILLEGAS MENDEZ who engaged in discriminatory HUMAN RIGHTS VIOLATIONS and UNLAWFULL Public Corruption COVER UP further exacerbating my on going documented financial losses and tortuous turbulence emotional pain and suffering. This included a discriminatory HUMAN RIGHTS VIOLATIONS, along with a PUBLIC CORRUPTION COVER UP of unethical and unprofessional public misconduct and Theft of Attorney services by named and identified public corrupted attorneys that has deeply disturbed the United States American Investors residing in Florida and New York.

Unfortunately, due to the dishonest and unscrupulous unlawful practices of attorney CRISTIAN EDUARDO SAMORA SEQUEIRA and Co-conspirators attorney YORLENI DIAZ, and MYRA VILLALOBOS CHACON my essential services, such as water and electricity, have been arbitrarily disconnected and CUT OFF on multiple documented occasions. This has left me without vital resources as I struggle to afford medication, government taxes, food and everyday expenses. I have been forced to take out loans from family and friends in the United States of America who share my dismay at the INHUMANE VIOLATIONS of MY RIGHTS, the UNLAWFUL discriminatory crimes and the continued plague of PUBLIC CORRUPTION attorneys in Costa Rica.

Parallel to these efforts, I reported these unlawful public documented crimes to Mayor TOBIAS MURILLO of Jaco. Surprisingly, he did not respond to my certified registered mail with return signed receipt containing my criminal complaint, along with extensive documentation from the Costa Rica Supreme Court. Instead, Mayor TOBIAS MURILLO is complicit in suppressing these crimes of illegal inhumane discrimination and aiding and abetting the unlawful theft of attorney services crimes committed by PUBLIC CORRUPTED attorneys CRISTIAN EDUARDO SAMORA SEQUEIRA and PUBLIC CORRUPTED Co-conspirator YORLENI DIAZ FRAUDULENT LIEN recorded in the Costa Rica National Registry Real Estate public records for THE WORLD TO SEE against my Real Estate property. Despite Mayor TOBIAS MURILLO having signed for the registered return signed Correos De Costa Rica No:AC502330269CR that was provided to Co-conspirator Mayor TOBIAS MURILLO.

The aforementioned unlawful crimes, which encompass unlawful inhumane discrimination, theft of attorney services, intentional misrepresentation, and malicious imposition of severe financial strain, have caused untold pain and suffering, Additionally, these unlawful actions have resulted in significant documented financial losses affecting both my bank accounts in the United States of America and my bank account in Costa Rica BCR,

In response to these advertises, President Rodrigo Chavaz and the Costa Rica United States American Embassy ADVISED ME to present these documented crimes, along with the documented evidence I provided to President Rodrgio Chavaz that was dated and recorded in the Costa Rica Public records, to present these documented crimes, along with their evidence, to the Costa Rica attorney bar association. I diligently

forwarded the documented documentation from the Costa Rica Supreme Court, ALL WRITTEN IN SPANISH, and the COMPLETE documented recorded criminal complaint to FISCAL LIC. CARLOS VILLEGAS MENDEZ attorney bar association.

However, his documented e mail response was disappointing, as he stated that I lacked the evidence and a legitimate case. This unlawful unjustified position has caused immeasurable anguish and tortuous pain and suffering, Furthermore, Prosecutor FISCAL CARLOS VILLEGAS MENDEZ not only engaged in illegal discrimination against me, but also manipulated documented recorded public records evidence by eliminating essential data and statements.

Furthermore FISCAL CARLOS VILLEGAS MENDEZ stated NO ONE within the Costa Rica College of attorneys understand or read English, even though all the legal documentation presented came from the Costa Rica Supreme Court, the Jaco Police Department and the Amparo court and News Media reports, all meticulously WRITTEN and PRESENTED in SPAINSH language for THE WORLD TO SEE in the Costa Rica Public Records and NEWS MEDIA.

Amazingly, I was advised by FISCAL CARLOS VILLEGAS MENDEZ to pay the translation costs, despite being a victim of fraud and financial misconduct that has left me in a precarious financial situation. The difficult financial situation has hindered my ability to cover basic expenses, including water, electricity, medicine and food, I must also highlight that President Rodrigo Chavaz advised me to take the case to the Competent Courts of Justice to address the situation.

When I visited the OIJ Police Department in Jaco Garabito, I was met with a regrettable lack of response, along with an obvious refusal to review my case or acknowledge President Rodrigo Chavaz documented public recorded, stamped, and dated notification, Prosecutor NORMA CAYASO emphatically declared that she was indifferent to President Rodrigo Chavaz directives, reiterating that these were of no importance to her. Accordingly, it is imperative to mention that I provided all legal documentation to the College of attorneys Costa Rica attorney Bar Association regarding the unscrupulous, unprofessional and PUBLIC CORRUPTED attorneys who defrauded me and engaged in THEFT of ATTORNEY SERVICES and UNLAWFUL MISREPRESTAION.

In response, Chief Prosecutor of the Costa Rica attorney Bar association College of Attorneys FISCAL CARLOS VILLEGAS MENDEZ, stated and expressed I lacked a evidence for a legitimate Case. FISCAL CARLOS VILLEGAS MENDEZ through deliberate unlawful documented actions, COVERED UP the case and manipulated the documented recorded court evidence, redacting crucial sections of the documented criminal complaint and case documentation. This appears to have been done to protect the named and identified PUBLIC CORRUPTED attorneys who perpetrated these fraudulent unlawful actions against me, safeguarding them from legal consequences. As of the date of this communication, the United States of America investors and I continue to suffer daily financial losses, a situation that significantly harms the financial integrity of Costa Rica and the Costa Rica Citizens and the United States of America Real Estate Investors.

It should be noted that the Chief Prosecutor of the College of Attorneys Costa Rica Bar association FISCAL CARLOS VILLEGAS MENDEZ, committed in writing that I had just THREE DAYS to respond otherwise, he would close the case. This raises a serious, very serious question about its legality, considering the time frames required for mail delivery, which typically range from four to seven days. Adhering to a THREE--DAY response period seems impractical. Its crucial to ask whether imposing such a short response period conforms to legal standards.

The infeasibility of complying with this demand becomes even more evident, considering the seriousness of the inhumane discriminatory PUBLIC CORRUPTION CRIMES committed by the Chief Prosecutor FISCAL Lic CARLOS VILLEGAS MENDEZ of the College of Attorneys Bar association FISCAL Lic CARLOS VILLEGAS MENDEZ actions, which include TAMPERING with PUBLIC DOCUMENTED RECORDED EVIDENCE and SUPPRESSING COURT EVIDENCE, amount to a Serious, Very SERIOUS UNLAWFUL FELONY CRIMES. That WARRANT the IMMEDIATE Suspension of FISCAL Lic CARLOS VILLEGAS MENDEZ attorney Licence To Practice Law in Costa Rica.

It is because of Public Corrupted unethical unprofessional crooked attorneys like FISCAL Lic CARLOS VILLEGAS MENDEZ Costa Rica is quickly becoming an Unsafe Undesirable Country to work, live or invest money in Real Estate, and to make matters worse it's the Costa Rica citizens who are suffering the most and being driving into poverty because of the unlawful PUBLIC CORRUPTION COVER UP Crimes of FISCAL Lic CARLOS VILLEGAS MENDEZ knowingly committed against me. It would NOT SURPRISE ME if he was Unlawfully PAID OFF to Cover Up all of the illegal crimes I also find it very alarming, troubling, and suspicions that at the same time Co-conspirator YAMILETH DE LOS ANGELES ARAYA LAURA (Mila) also unlawfully conspired against me at about near and close to the same timeframe that FISCAL Lic CARLOS VILLEGAS MENDEZ stated I only had three days to respond to his documented recorded e-mail written unethical unprofessional corrupted response with many of the documented court evidence that I IN FACT provided to him written in Spanish.

On or about August 2, I hired another attorney JOSE JUAN SANCHAZ to respond within 5 days to co-conspirators Unlawful Fraudulent lawsuit filed against me for \$10,500.00 attorney JOSE JUAN SANCHAZ stated me he would file the response and advised me we only have 5 days to respond attorney JOSE JUAN SANCHAZ was paid however when I went to his office he advised me that we lost the case against co-conspirator attorney CRISTIAN EDUARDO ZAMORA SEQUERIA because co-conspirator attorney JOSE JUAN SANCHAZ knowingly intentionally and deliberately filed his documented court response on my behalf on or about after the six day causing me unbearable amounts of pain and tortuous suffering and more financial losses for his unlawful documented negligence.

Attorney JOSE JUAN SANCHAZ stated to me that co-conspirator's attorney JOSE CAULDRON attorney CRISTIAN EDUARDO ZAMORA SEQUERIA, attorney YORLINI DIAZ, and JUNIOR DIAZ were trying to steal the Real Estate Property's with numerous documented fraud court filings and stated to me that co-conspirator attorney CRISTIAN EDUARDO ZAMORA SEQUERIA and his PUBLIC CORRUPTED Law Firm ZAR ATTORNEYS and process server's unlawfully recorded a fraudulent lien against my Home in the Costa Rica Real Estate Public National Registry Records for THE WORLD TO SEE, Damaging the Real Estate Title to my Home and unlawfully placing me at Risk of being robbed of my Home in Costa Rica.

Co-conspirator attorney JOSE JUAN SANCHAZ advised me I had two choices either pay the recorded fraudulent lien or pay him more money to continue to represent me, Co-conspirator attorney JOSE JUAN SANCHAZ advised me he tried to contact me but lost my telephone number and my email address that he had requested I provided him the day I paid him. Co-conspirator attorney JOSE JUAN SANCHAZ also advised me he e-mailed me however he stated to me he realized he emailed the wrong person and thought it was me. I stated to co-conspirator attorney JOSE JUAN SANCHAZ I am located five minutes from your law office why did you not come to my Hotel or my home and advise me I lost the case when I saw he had no answer for me I realized co-conspirator attorney JOSE JUAN SANCHEZ SOLD ME OUT and most likely was PAID OFF to make me lose my Real Estate property's this was one evil malicious act committed by another Public Corrupted unethical unprofessional attorney that I was forced to hire to defend myself in the Costa Rica Courts

Co-conspirator attorney JOSE JUAN SANCHEZ advised me that another client of his from the United States of America that he was representing for unpaid HOA fees was also being robbed and losing her Real Estate property in Costa Rica. Co-conspirator JOSE JUAN SANCHAZ advised me that the Judges in Costa Rica are so CORRUPTED he stated and advised me I most likely would never win my case in the Costa Rica court and to just pay the FRAUD LIEN of \$10,500.00. Co-conspirator attorney JOSE JAUN SANCHAZ aslo advised me that because I was not legally served correctly the recorded lien in the Costa Rica Real Estate Public Registry records IS INVALID.

On or about October 14, 2023 a Jaco Police officer showed up at my place of business asking several of the workers for Enzo Vincenzi the police officer Dauiel Azoferfp stated to me that YAMILETH DE LOS ANGELES ARAYA LAURA (Mila) had filed Violencia Domestica criminal charges against me, This is the SECOND public documented time the Jaco Police Department officers have come to my Hotel Business to severe me Falsified Recorded Domestic Violence criminal charges recorded in Jaco Police public records for the WORLD TO SEE in attempt to FALSLY arrest me the first time it was Criminal Fraudster MYRA CECILA VILLABOS CHACON who lost her case against me in the Costa Rica Supreme Court, the Jaco Court and the Amparo Court and now its criminal fraudster YAMILETH DE LOS ANGELES ARAYA LARA

The witnesses and myself explained to the police officer that Criminal FRAUDSTER YAMILETH DE LOS ANGELES ARAYA LARA (Mila) had committed serious EVIL unlawful public documented crimes at my Hotel Business and had completely sabotaged my Hotel business, Criminal Fraudster YAMILETH DE LOS ANGELES ARAYA LARA (Mila) had unlawfully disconnected the Security Cameras Hotel Surveillance System, stolen all my Banking account information of Costa Rica BCR and also stole my United States Wells Fargo banking information including the copy of the of the evidence of the \$35,000.00 Wells Fargo Check that unethical unprofessional Criminal Fraudster attorney Cristian Eduardo Samaora Sequeria scammed and robbed from me.

Criminal Fraudster YAMILETH DE LOS ANGELES ARAYA (Mila) also unlawfully changed all my passwords to my Security Cameras Hotel Surveillance System that I was no longer able to access my Hotel Cameras Surveillance Security System, Criminal Fraudster YAMILETH DE LOS ANGES ARAYA LARA (Mila) also deleted the Costa Rica American Embassy e-mail notice I received on my hotel computer advising me to report the named and identified FIVE public corrupted attorneys to the College of attorneys, Criminal Fraudster YAMILETH DE LOS ANGES ARAYA LARA (Mila) also unlawfully deleted the documented Notice I received from President Rodrigo Chavaz advising me he denounces the fraud crimes committed against me and to report the crimes to the IOJ police department and Attorney Bar Association College of Attorneys I was advised by Poder Judicial Sandra Morales Duran and David Ricardo Madrigal Jueza Tramitadora to respond within 5 days or else the Fraudulent Domestic Violence charges will go in the Costa Rica Public Records for THE WORLD TO SEE damaging and defamation my character causing immeasurable tortuous pain and suffering for life.

I am enclosing a copy of my documented recorded filed response to the Poder Judicial Court for your records and with evidence of all the unlawful documented public recorded crimes criminal fraudster YAMILETH DE LOS ANGES ARAYA LARA (Mila) committed against me.

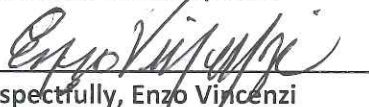

YAMILETH DE LOS ANGELES ARAYA LARA (Mila) also changed all my passwords to my Hotel business e-mail accounts and my personal e-mail accounts and sent a "your data may be corrupt" virus to my cell phone making me loosening all my contacts phone numbers pictures videos and documented court evidence I had on my cell phone, Criminal Fraudster YAMILETH DE LOS ANGELES ARAYA LARA (Mila) also stole money and the key to the cash money box, and stole the key to the new steel security door of the bar. Criminal Fraudster YAMILETH DE LOS ANGES ARAYA LARA (Mila) also stole my brand new Hotel business cell phone

YAMILETH DE LOS ANGES ARAYA LARA and Co-conspirator ADRIANA ROCIO ACUNO VILLANVEVA also logged in more extra hours in the signed work book that was allowed these two criminals destroyed my Hotel business and my life I am respectfully providing a copy of my October 24, 2023 public records filed court response documented evidence for THE WORLD TO SEE and for your records and review. This is the SCEOND UNLAWFULLY filed Public Documented COURT Domestic Violence Charge's filed in the Costa Rica courts against a United States American investor in an attempt to unlawfully steal my Real Estate property's Hotel Business and my Home to have me falsely ARRESTED and Murdered.

It is obvious and evident Costa Rica has become an extremely very, very dangerous unsafe place for United States American investors to buy Real Estate property's and a very dangerous place to live, work and visit Costa Rica.

In conclusion, I implore the Humane Rights Investigation Department a through review of the actions and decisions taken in this complex legal context. My goal is to shed light on the apparent injustices and unlawful inhumane discrimination practices that have affected me, causing untold tortuous psychological suffering and substantial financial losses. Furthermore these injustices not only affect me, but also tarnish the financial integrity of Costa Rica and the Costa Rica Citizens and the lives of the United States American Citizens who visit this country and the United States Real Estate Investors who invest millions of dollars who try to make Costa Rica a better place.

On October 10, 2022 I was discriminated again with more conflict of interest attorney problems caused by Precision Immigration General manager Craig Atherton who advised me after I paid him Mr Antherton left me a message about two months later on my cell phone that he was no longer going to be able to represent me to obtain my Costa Rica residency he stated to me he would return my money however when I went to his office on March 9, 2023 he provided me with my Apsotille Criminal record and never provided me with my Apostille Birth Certificate and never returned my money back like he stated to me he would.

(Fact) When I first went to Precision Immigration office in Jaco I advised the general manager Craig Atherton several times that I was robbed, scammed and misrepresented by 5 named and identified unethical, unprofessional, public corrupted attorneys. I specifically asked Craig Atherton are you sure you are going to be able to properly represent me to obtain my Costa Rica residency he advised me that for him it would not be a problem. He took my fingerprints, photographs, a copy of my passport and a cash deposit, only to waste my time and money to cause me more problems with the Costa Rica Immigration Department and loss of income from my Hotel Business.

As of this day I have not been able to pay back the Real Estate attorney Elliot S. Schessel in New York who prepared the promissory notes for the money I borrowed from the investors in the United States, I also have not been able to pay back the investors who loaned me the money. This has damaged my reputation and credibility leaving me with no funds to repair the Hotel and house that was damaged by the flood.

and not been able to generate any income or pay the property taxes because of the crimes that have been committed against me and my Hotel Business.

(Fact) It is because of these named and identified unethical unprofessional Public Corrupted attorneys and criminals Myra Cecilla Villalbos Chacon, attorney Sonia Villalobos Chacon ABOGADA Carne No 3392, Licda. Patricia Hernandez M., attorney Luis Diego Chaves Solis, attorney Yorleni Diaz, Junior Diaz, attorney Cristian Eduardo Zamora Sequeira, attorney Monica Gabriela Sanchez Valverde who was recently arrested, attorney Jose Calderon Vargas who was found murdered shot three times, found naked in the back trunk of his car dripping with blood, Costa Rica is quickly becoming an unsafe place to live and work and invest money in Real Estate in Costa Rica if this is allowed to continue their will be less United States investors willing to invest money in Costa Rica.

These named and identified unethical unprofessional attorneys are destroying the financial integrity of Costa Rica causing an out of control economical crisis for all the people who live in Costa Rica

I am respectfully requesting a response and an appointment with the Costa Rica United States American Embassy as soon as possible for all the Costa Rica Immigration and discriminatory conflict of interest documented crimes committed against me in the Costa Rica Supreme Court, Jaco Court, the Amparo Court and the Jaco Police Department who personally came to my Hotel with 4 police vehicles and 5 police officers after I paid the outstanding balance to attorney Jose Cauldron who stated to me the "court case is over you won" and instead a few days later I was presented with falsified Domestic Violence Criminal Charges against me by the Jaco Police Department with court documents from the Costa Rica Supreme Court the Jaco Police officers stated to me by law I needed to sign the Costa Rica Supreme Court Documents, only to find out attorney Jose Cauldron and attorney Yorleny Diaz who both lied to me and stole my money and tried to set me up to make me lose my court case against Myra Cecilla Villalbos Chacon to be arrested for Falsified Domestic Violence Criminal charges. These documented unlawful crimes committed against me has terrorized me, damaged my health, and left me in a state of shock unable to pay the hotel property taxes and the water bill, the water company cut my water off again. This is a serious, very serious inhumane crimes committed against me by unethical unprofessional crooked attorney Cristian Eduardo Zamora Sequeira who **MUST BE ARRESTED**. This is why people in the United States are beginning to realize Costa Rica is becoming an unsafe country to invest money in Real Estate and do business in this country after investing more than \$500,000.00 U.S. Dollars to buy the Hotel Business and more than 2 years gone by I still do not have my Costa Rica residency. Because of the unlawful documented crimes committed against me by Myra Cecilla Villalbos Chacon and public corrupted attorney Cristian Eduardo Zamora Sequeira intentionally committed crimes of scamming theft of \$35,000.00 U.S. Dollars from my Wells Fargo Bank account with his license to practice law **MUST BE** immediately suspended and the money immediately returned for me to be able to pay the

fees for my Costa Rica residency, my Real Estate Property Taxes and to be able to pay the water bill to my home I cannot work and live or survive in my home without water.

I was advised by attorney Jose Cauldron not to do any more business with attorney Yorleny Diaz and Junior Diaz both have a serious out of control gambling and drinking problem. Junior Diaz stole his own mothers real estate property and documents to her home and gambled it and lost it at the casino, attorney Jose Cauldron stated to me that attorney Yorlini Diaz has no court experience at all to represent clients in any court of law in Costa Rica all she knows how to do is sign and Notarized real estate documents and that attorney Yorlini Diaz has been misrepresenting me for a long time and has also misrepresented other United States Investors.

It is imperative the Costa Rica attorney bar association permanently revoke attorney Yorleny Diaz license to practice law in Costa Rica to prevent other United States America Investors from being robbed and scammed and misrepresented by a dishonest unethical unprofessional attorney with a serious out of control gambling and drinking problem.

The Costa Rica Attorney Bar Association and OIJ Organismo de Investigación Judicial have a responsibility and obligation to apprehend and arrest the criminals who committed these inhumane unlawful discriminatory hate crimes, attorney misrepresentations, theft of attorney services, and conflict of interest's crimes against me.

(Fact) This is a real Costa Rica tragedy that is rapidly destroying the Integrity of Costa Rica and causing a serious out of control economical crisis for everyone who lives and works in Costa Rica. These unethical and unprofessional public corrupted attorneys are destroying Costa Rica's economy and have made it imposible for me to live and work in Costa Rica in peace to manage my Hotel Business and to obtain my Costa Rica residency for investing more than \$500,000.00 U.S. Dollars, the water company cut of my water I am now left with No Water to my Home and No residency to be able to live and work in my home and operate and manage my Hotel Business in Costa Rica.

The documented courts evidence, photographs and security cameras videos against the public corrupted attorneys and the criminals is all documented on a flash drive and a hard drive disk is being provided to President Rodrigo Chaves by Certified Registered mail At this time I would like to respectfully request an Emergency Costa Rica Residency to be able to live in my home and operate and manage my Hotel Business as an investor of more than \$500,000.00 U.S. Dollars in Costa Rica to promote tourism for my Hotel and the Costa Rica economy.

God Bless Costa Rica and God Bless President Rodrigo Chaves.

Respectfully, Enzo Vincenzi.
