

Subject: Urgent Criminal Complaint and Request for Immediate Action

Dear Attorney Karl Villalobos,

A criminal complaint, supported by documented evidence from the Costa Rica Supreme Court, Jaco Court, Jaco Police Department, and Aparó Court, has been submitted to President Rodrigo Chaves, the U.S. Embassy in Costa Rica (Ambassador Cynthia A. Telles), and OIJ Director Randall Zúñiga.

Enclosed, please find a copy of this criminal complaint, submitted by one of the United States investors, for inclusion in the public records of the Courts, the Attorney Bar Association, and the Jaco Police Department. This document is provided as part of an urgent request for the immediate dismissal of the fraudulent domestic violence charges unlawfully filed against me by co-conspirator Yamileth De Los Angeles Araya Lara "Mila." These charges were maliciously fabricated to facilitate my false arrest and expulsion from the country.

I hereby request that the presiding Judge and the Jaco Police Department be made immediately aware of the fraudulent and unlawful nature of the domestic violence charges brought against me. This case must be transparently documented in the public records for all to see, to expose the malicious intent behind this conspiracy: to wrongfully arrest and expel me from Costa Rica in an effort to seize my hotel business, my home, and the real estate properties invested in by U.S. investors.

This conspiracy represents a blatant act of public corruption, discrimination, slander, defamation, and hate crimes against me. It is a coordinated attempt to steal real estate properties from U.S. investors and to protect corrupt government officials and attorneys. I demand that all named and identified corrupt officials and attorneys cease and desist from any further unlawful actions against my hotel business and my home immediately.

The United States and Costa Rican media, including investigative reporters, will be providing updates on these ongoing crimes. Should the presiding Judge or any members of the Attorney Bar Association attempt to cover up these acts of public corruption, their actions will be exposed, and they will be held accountable, thereby damaging their professional reputations irreparably.

Attached is a copy of the OIJ criminal complaint submitted to Director Randall Zúñiga.

God bless the United States of America, and God bless Costa Rica.

Furthermore, as of today's date, I have received five death threats related to conspiracy to murder. OIJ Director Randall Zúñiga has advised me to report these hate crimes to the Jaco Police Department immediately.

Thank you for your prompt attention to this urgent matter.

Sincerely,
Enzo Vincenzi
